Dahl Class Curriculum Overview
Best of British

Spanish Through the topic of El Colegio, we will learn new vocabulary about schools and continue to construct simple sentences. This will give us a chance to see what education is like in Hispanic schools.

Geography and History In Geography and History, we will be exploring topics that link with our theme 'Best of British'. In History, we will be exploring the question "Why did the Romans settle in Britain?" We will look at the invasion of Britain by the Roman Empire and will explore how they changed modern Britain. We will be having a Roman Wow Day. In Geography, we will be exploring the question "Who lives in Antarctica?" and will learn about British explorer Ernest Shackleton.

Art In Art, we will be looking at Sculpture and 3D Art. We will explore how shapes and negative space can be represented by three dimensional forms. Manipulating a range of materials, we will join and create free standing structures inspired by the work of Anthony Caro and Ruth Asawa.

RE In RE, we will be exploring the questions 'What is philosophy? How do people make moral decisions?". In this enquiry, we will be looking at Christian and Humanist beliefs.

PSHE In PSHE, we will be looking at the importance of our physical, emotional, and mental health. This will also include the importance of sleep. We will also be focusing on communication. Zones of Regulation will continue to be thread through our PSHE provision.

Computing In Computing, we will be learning how to compose an email. This will also include E-Safety lessons concerning cyberbullying and spam emails. We will then begin to explore the inputs, outputs, and purpose of computer parts.

Science In Science, our topic is plants. First, we will investigate plants and their growth. We will then explore the process of pollination and seed dispersal.

Music In Music, we will gain an insight into music from around the world. In our first unit, we will learn about music used to celebrate Chinese New Year to prepare us to write and perform a pentatonic melody. In our second unit, we will be exploring Indian music and will create a piece of music using drag, rag and tal.

Design and Technology In D&T, we will understand the impact of the digital revolution. We will be writing programmes as part of an eCharm, creating a foam pouch and using computer aided design software.

PE In PE, we will continue to develop our gymnastic skills. We will also be looking at Dance around the World. Following this, we will be developing our ball game skills in Netball and Tag Rugby.
