Dahl Class Curriculum Overview
A Wonderful World

Computing In Computing, we will be developing filming and editing video skills through storyboarding and will create a video trailer. We will also focus on Online safety learning about 'fake news', privacy settings, ways to deal with upsetting content and protecting our personal information.

PE In PE, we will use running, jumping and catching in isolation and in combination. We will play competitive games and apply basic principles suitable for striking and fielding. Children will also begin their swimming lessons.

Spanish Through the topic of the film 'Coco', we will learn new vocabulary about members of the family and describing them and continue to construct simple sentences. We will also explore the culture shown in the film.

Geography and History In Geography and History, we will be exploring topics that link with our theme 'A Wonderful World'. In History, we will answer the question "How different were the beliefs in Ancient Egypt?" We will learn about who the Ancient Egyptians were and what they believed in and how historians find out about them. In Geography, we will be exploring the question "Are all settlements the same?". We will look at the physical and human features and land use of the local area before comparing this to features and land us of New Delhi, India.

PSHE In PSHE, we will be looking at growing up, first aid, lifestyle choices and developing our collaboration skills. We will also work with MIND through their Brain Buddies sessions. Zones of Regulation will continue to be thread through our PSHE provision.

RE In RE, we will be exploring the questions 'What do Muslims believe /about God?' and 'What difference does being a Muslim make to daily life?'.

Music In Music, we develop out signing technique. Learning to keep in time and work on musical notation and rhythm. The Viking unit finishes with a group performance of a song with actions. We will also learn about ragtime style music, Dixieland music and scat singing. Children will create a jazz motif using a swing rhythm.

Art In Art, we will be creating our very own Ancient Egyptian scrolls. We will develop design and craft skills taking inspiration from Ancient Egyptian art and pattern and paper making.

Design and Technology In D&T, we will identify and learn about the key features of a castle before designing and making a recycled material castle (structure).

Science In Science, we will begin by looking at Rocks and Soils. We will compare a variety of rocks and learn how rocks, soils and fossils are formed. We will then look at forces and magnets. We will investigate friction before understanding how magnets work.

Key Vocabulary	
Settlement	A place where people have settled (live)
Civilisation	A society – members of a community or group
Immortal	Never dying; living forever
Mummification	The process of preserving the dead.
Igneous	A type of rock formed by heat (e.g. a volcano)
