Rowling Class Curriculum Overview Best of British

Music

In Music we will be learning about changes in pitch, tempo and dynamics through the theme of Rivers. We will also be adopting and transposing motifs. Learning to understand, compose and notate a motif as well as develop and transpose one.

Design and Technology

In D&T we will be learning about electrical items and how they work resulting in us making and evaluating our own torches!

Art

In Art we will be looking at colour mixing and painting techniques. We will explore how mixing paints and how paint can be used to create very different effects.

Geography

In Geography we will be learning about where our food comes from and the impact on the environment.

PSHE

In PSHE, we are looking at persistence and resilience. As well as a balanced diet and working with food. We will continue our work on helping our well-being and developing our problem solving skills.

RE

In Religious Education we will be exploring and learning about the Trinity and about what philosophy is. We will learn about how people make moral decisions focussing on Christianity and Humanism.

History

In History we will be exploring how hard it was to invade and settle in Britain. We will learning about the Anglo-Saxons and how they settled as well as how their rule ended.

Computing

In Computing, we will be creating a project using SCRATCH as well creating media through website design and looking at HTML tags.

Science

In Science, we will be learning about states of matter and the properties of the different states. We will investigating evaporation and condensation as well as melting and freezing. In our second unit we will be learning about sound and vibrations.

PE

In PE, the children will be learning dance focusing on agility, balance, coordination and precision. They will also be creating their own dance from around the World.

Spanish

We will be learning about numbers and dates as well as all about Pets.

Key vocabulary:
